McClellan Asks Defense Chief to Explain

By G. MILTON KELLY
WASHINGTON (AP)—Assistant Secretary of Defense Arthur Sylvester has the job of explaining to Senate investigators today why he questioned the fairness of their hearings on the disputed TFX warplane contract.

The Senate Investigations subcommittee accepted a letter of apology from Sylvester Monday but Chairman John L. McClellan, D-Ark., said he wanted to hear more from the assistant secretary, who handles the Pentagon's public affairs.

Sylvester's remarks have landed him in hot water before. His statement that the administration managed the flow of news during last fall's Cuban crisis brought wide and sharp criticism from the press and from some members of Congress.

McClellan's subcommittee is investigating whether favoritism was involved in the granting of the estimated \$6.5 billion TFX contract to General Dynamics Corp. of Fort Worth, Tex., purportedly the high bidder.

Witnesses have testified that military evaluation board unanimously judged a rival design by the Boeing Co. of Seattle, Wash., promised better performance and lower cost, but were overruled by the Pentagon's civilian chiefs.

Secretary of Defense Robert S. McNamara, invoking one of the subcommittee's rules, asked and received permission to file a statement giving the civilian Pentagon officials' side of the story. McClellan said he expected the statement Wednesday and that McNamara would be questioned about it in later hearings.

Sylvester's letter of apology acknowledged that he was the hitherto anonymous Defense Department spokesman who last Friday questioned the subcommittee's ability to judge the evidence fairly because of what he called "state self-interests" of various members.

British Pound Sags in Value

LONDON (AP) — The British pound sagged in value today after a scaling wave swept Europe's currency exchanges.

The pound was being quoted against the U.S. dollar at \$2.79 29-32, 3-32 of a cent below Monday's closing price of \$2.80.

For the second straight day the state-run Bank of England intervened in an effort to prop sterling. It hurried to buy up pounds, using dollars from the nation's hard currency reserves.

The pound is officially valued at \$2.80.

The spot rate today is the lowest to which sterling has sagged since August 1961.

More Pay for Election Officials

LITTLE ROCK (AP) — Gov. Orval E. Faubus signed into law Monday House Bill 60, raising from \$4 to \$7 a day the expenses allowed election officials manning general election polling places. It became Act 222.

Faubus also signed HB 352 (Act 220), which exempts trucks which carry rice by-products from Arkansas Motor Carrier Act regulation. The governor signed HB 78 (Act 221), which provides for the continuation or creation of civil service commissions for non-uniform employees in cities of between 20,000 and 75,000 population. This includes Pine Bluff, Fort Smith and North Little Rock.

Some school districts may not know that they will have to reduce operating expenses and teacher salaries to repay the loans, said Allen Lynch of Tyrone.

He said the law prohibits cutting teacher salaries from the previous high paid by the district.

The board also approved 17 applications for hardship case status under Act 231, which says that if a district would face a reduction of a nine month school term by following the law it may apply to the board as a hardship case and not have to meet the law.

A total of \$2,717,044 in commercial loans to school districts also was appealed by the board. The largest loan was \$1,250,000 to the Pulaski County Special (Rural) School District.

Districts applying for revolving funds included: Blevins, Concord, County Line, Dardanelle, Fountain Hill, Gurdon, Helena, Kingsland, Marion, Mt. Pleasant, Mulberry, New Edinburgh, Prairie Grove, Shawnee, Strong, Tyronza and Waldo.

Districts applying for revolving fund loans included:

Armorel, \$7,978; Ashdown, \$20,000; Cushman, \$4,000; Emmett, \$450; Fountain Hill, \$13,000; Havana, \$40,000; Malvern Special, \$46,000; Marion, \$10,000; Pangburn Special, \$25,000; Shirley, \$20,000; St. Paul, \$3,50; Stone County, \$15,000; Weiner, \$15,000.

CHATTER

By
BILL RALEY

A bit of timely philosophy reached us and we would like to pass it on to you. It was expressed by Holmes (just which Holmes we do not know, unless it was Oliver Wendell). Anyway, it says . . . "I find the greatest thing is not so much where we stand as in what direction we are moving. To reach the port of heaven, we must sail sometimes with the wind and sometimes against it; but we must sail and not drift, nor lie at anchor."

For our part we are sailing right into spring and we have the passport at Raley's Style Shoppe. In our large collection of dresses we have five different size ranges. One to fit you, regardless of size.

In regular Misses sizes from 8 to 20. We have Jeanne Durrell, Ike Clark, Jon McCauley, Jack Mann, Signor Giovelli, Donovan Galvani, Lillian Russell, Parkland and Frelick — In new spring fabrics which are crease resistant. One and two piece styles are made to fit your budget too — \$8.95 to \$45.00.

The petite size are designed by Jeanne Durrell, for the shorter women and needs little or no alterations. You will love the arnel Jerseys, cottons and linens styled in sheaths, 2 and 3 piece suits and costume dresses — Sizes 8 to 18 petite, \$17.95 to \$29.95.

If your waist is short and you need a little more fullness on the hipline, try Mann-Mate and Munives half sizes. Their prints are unusual, most of the fabrics are hand washable and they are priced from \$12.95 up.

In Junior and Junior Petite sizes 3 to 15, you can find such well known labels as Minx Modes, Jo Junior, Jonathan Logan, Candy Jones, Country Set & Julie Clark, they are as cute as buttons! The full skirted dacron and cotton in pastel shades looks like a doll's dress . . . the jacket style made from linen crash would be perfect for Easter . . . there are many others priced from \$17.95 to \$25.00.

We invite you to see them all and remember the place, it is Raley's Style Shoppe, Hope's House of Fashion. Shoppe hours: 9 a.m. to 6 p.m.

Faubus to Push Insurance Bill

LITTLE ROCK (AP) — Gov. Orval E. Faubus said today he would push some type of insurance investment bill through the Arkansas House this afternoon.

Asked if it would be the compromise bill sponsored in the Senate by Sens. Olen Hendrix of Prescott and Doug Bradley of Jonesboro, Faubus said, "That seems to be the one most people want to see passed."

He did not say the compromise measure would be the one passed.

It would raise by one-half of one per cent the premium tax on out-of-state insurance companies which failed to invest in Arkansas half the reserve in their Arkansas policies.

GOPs Veer Away From Criticism

BY JACK BELL

WASHINGTON (AP) — Republican leaders appear to be veering away from the kind of criticism of President Kennedy's Cuban policies that might let the Democrats try to hang a "war party" label on them.

Sen. Kenneth B. Keating, R-N.Y., who has been the No. 1 GOP critic of the administration's course, came up with an endorsement Monday night for actions he said appeared to be hardening the president's policies toward Cuba. He felt it as important, Keating said, "to speak up in support of the government when it moves toward a more vigorous policy on Cuba as it is to criticize when it is not."

This seemed to fit the pattern laid out earlier by Senate Republican Leader Everett M. Dirksen of Illinois when he said he agrees with Kennedy that a full blockade of Cuba would amount to an act of war and "I don't want to go to war."

How much these statements reflected reaction from the country was not divulged. But Dirksen said he was "up half the night" answering long distance telephone calls from persons who wanted to congratulate him on his television statement.

Keating, whose mail is flooded with letters about Cuba, was happy to find some presidential moves he could praise instead of condemn.

He told a Rockville Centre, N.Y., audience that "bipartisan support like the rock of Gibraltar will back up whatever measures may be necessary to end the Cuban menace." He added that "when the government adopts a firm policy and stands fast by it, criticism will be stilled."

Keating voiced support for Kennedy's announced intention of pressing members of the Organization of American States for action to track down Communist agents and to counter their activities.

He said this was the real offensive threat from Cuba.

Keating tagged as "a new and important commitment" the statement of Secretary of Defense Robert S. McNamara that the United States would not stand by while Soviet troops put down any rebellion against the Castro government.

He took a swipe at McNamara's Feb. 6 television presentation, saying it was three-fourths concerned with justifying past actions and only one-fourth devoted to "the substantial Soviet threat remaining" there.

But, he said, administration leaders recently had given "face"

Computer Used in Traffic

MIAMI, Fla. (AP) — Miami's Metro police force intends to continue using its electronic computer in traffic control.

The machine was crammed with accident data Saturday. After it produced its analysis of where the most accidents were likely to occur, 10 motorcycle policemen went to the area and patrolled it for eight hours. "We don't know if we actually prevented any accidents," said Lt. Quentin Weaver. "All we know is that we had 10 accidents a year ago and none Saturday."

Fulbright Wrong, Hunter Says

NEW YORK (AP) — Sen. J. William Fulbright, D-Ark., was wrong when he said last week that former President Dwight D. Eisenhower killed more than the legal limit in a recent Mexican hunt, another man on the hunt said Monday.

Charles S. Jones, a California oil executive, said Eisenhower did not take his limit of 20 birds.

Fulbright made his remarks after an Associated Press story from Mexico said Eisenhower had bagged 40 ducks and 35 other birds in less than three hours.

House Passes Draft Law Extension

By WALTER R. MEARS

WASHINGTON (AP) — A four-year extension of the draft law, passed by the House with only three dissenting votes, begins its Senate today.

The Senate Armed Services Committee opens hearings on the Pentagon proposal with Assistant Secretary of Defense Norman S. Paul as the leadoff witness.

The bill cleared the House Monday on a 387-3 roll call vote. The only no votes came from Reps. Homer E. Abele, R-Ohio, H. R. Gross, R-Iowa, and George E. Brown Jr., D-Calif.

"I can't understand for the life of me, with all the stories I hear about the unemployed youth of this country, why the armed services can't get all the manpower we need on a voluntary basis," Gross complained.

Two Democrats and a Republican sought to have the bill amended, but their proposals never got off the ground.

Rep. Henry S. Reuss, D-Wis., wanted the draft extension held to two years. He said with the world situation a state of flux, the next Congress should have a chance to act on the draft, too.

The amendment was rejected on a 154-43 standing vote after Chairman Carl Vinson of the House Armed Services Committee said "of all times for letting the world think we are reducing our force, this would be the wrong hour and the wrong time."

The other amendments had similar goals. Rep. Roman Pucinski, D-Ill., wanted the maximum draft age cut from 26 to 22 years. Rep. Charles E. Goodell, R-N.Y., proposed an amendment declaring it the sense of Congress that more men should be drafted when they are 18 or 19, instead of at the present average of 23 years.

Pucinski's amendment was turned down on a voice vote, Goodell's on a standing vote of 134 to 59.

The bill extends the draft law to July 1, 1967.

It also:

—Keeps in effect for four more years a suspension of statutory ceilings on the size of the armed forces. Without that, military manpower would have to be trimmed by more than \$500,000.

—Continues the system of dependents' assistance allowances, ranging from \$55 to \$105 a month, for enlisted men in the lower grades.

—Extends the doctors' draft, and the provisions for special pay for medical men ordered to military service.

tual, hard-hitting evidence of the present dangers of the threat of subversive activities and Communist infiltration from Cuba.

"I hope that the officials of our government, who bear heavy responsibilities in this area, have now accepted this thesis and that the signs I have noted truly reflect a new willingness to face up to

Not Worried About Being No. 1 Team

CINCINNATI, Ohio (AP)—Coach Ed Jucker says he isn't a bit worried over his Cincinnati Bearcats having won the final Associated Press basketball poll. That's despite the fact that Ohio State won the same honor in 1961 and 1962 only to be defeated by Cincinnati in the NCAA finals.

"I'd rather be No. 1 than any other way," said Jucker, whose team led the ratings all season. "We have something going for us and I'm happy with the situation. I'm not superstitious."

Cincinnati—which has not been beaten on its own floor since 1957—finished season play with a 23-1 record and was 11-1 in the Missouri Valley Conference. The Bearcats were a shooting in the final balloting Monday just as they were in the 15 weekly ratings.

Thirty-five of the 43 No. 1 votes went to Cincinnati which rolled up 420 points. Duke placed second, with seven first-place votes and 381 points. Providence, which did not make the Top Ten, got the other vote.

"Our next ambition is a third NCAA title—something which has never been done before. The team wants it badly. We're ready mentally and physically; we're eager and we'll have no excuses," Jucker said.

Chances are that the Bearcats will have to beat one of the other top teams to get their title. Ohio State and Wichita, which defeated Cincinnati by one point this season, are the only ones not taking part in the post-season NCAA tournament. Wichita is the favorite in the National Invitation tourney opening in New York Thursday.

The Top Ten with first-place votes in parentheses and points figured on a 10-9-8 etc. basis:

1. Cincinnati (35)	420
2. Duke (7)	381
3. Loyola of Chicago	277
4. Arizona State	238
5. Wichita	205
6. Mississippi State	181
7. Ohio State	176
8. Illinois	168
9. New York U.	64
10. Colorado	39

A six-furlong supporting feature will bring out seven three-year-olds, some of which may be preparing for the Arkansas Derby, to be run April 6.

Heading the field is Mr. and Mrs. Lucian Knight's Dr. Scott, a front-running winner last Friday. Steve Ippolito's Snow Fort and Carl Miller's Garvin Park are other promising starters.

In Monday's action, Ken Gaston's Stack O' Jack beat Joe Shaver's Cathelle in a long stretch drive to win by a neck in the featured \$4,500 Calico Rock Purse.

Marion H. Van Berg's Swiftly was third, 1½ lengths back.

Stack O' Jack covered the six furlongs of good track in 1:12 1-5 and returned 9.40, \$5.20 and \$3.60.

A total of \$433,361 was wagered by the 8,004 fans at the track Monday.

3 More Gain Semifinals in NCAA Meet

By SHELDON SAKOWITZ
Associated Press Sports Writer

Chicago Loyola, Arizona State and New York University—a trio of nationally ranked basketball powers—have gained the regional semifinals of the NCAA tournament after surviving first-round tests.

The three teams, along with West Virginia, St. Joseph's of Philadelphia, Bowling Green and Oregon State, all scored first-round regional victories in games at three scattered sites Monday night.

Chicago Loyola, rated third in the final Associated Press poll, overwhelmed Tennessee Tech 111-42 in the Mideast regional at Evanston, Ill.; fourth-ranked Arizona State edged Utah 79-75 in overtime in the Far West regional at Eugene, Ore., and NYU, No. 9, turned back Pittsburgh 93-83 in the Eastern regional at Philadelphia.

West Virginia and St. Joseph's were victors in the Eastern regionals. The Mountaineers subdued Connecticut 77-71 and the Hawks took an 82-81 overtime squeaker over Princeton in the wind-up of a Philadelphia Palera tripleheader.

Bowling Green whipped Notre Dame 77-72 in the first game of the Mideast doubleheader at Evanston and Oregon State downed Seattle 70-66 in the second game of the Far West regional doubleheader at Eugene.

The last remaining berth in the NCAA tournament will be filled tonight when the winner of the Big Six Conference is determined. UCLA and Stanford wound up in tie for first place with 7-6 records and meet in a playoff at Santa Monica, Calif.

Eight opening-round games in the 32-team NAIA tournament at Kansas City were played Monday.

Grimbling, La., top-ranked in the tournament, throttled Arkansas Tech 76-59 but Central State, Ohio stunned fourth-seeded Oklahoma Baptist 71-70.

In other first-round games: Fort Hayes, Kan., State topped Eastern New Mexico 95-69; Athens, Ala., nipped Central Connecticut 72-71; Stetson, Fla., squeezed past Howard Payne, Texas, 60-66; Northern Michigan posted a 72-62 decision over California Western; Alliance, Pa., eliminated Yankton, S. D., 78-68 and Pan American, Texas, thrashed Peru, Neb., State 83-48.

Eight more NAIA first-round games are on the agenda today. The opening-round survivors advance to the second round Wednesday.

Horse at Spa for Training

HOT SPRINGS, Ark. (AP) — Blaze Starr, highly-regarded son of Tribe and Nice Try, arrived at Oaklawn Park over the weekend to begin training for the \$25,000 Arkansas Derby.

The bay Louisiana-bred colt was unbeaten in four starts as a juvenile and finished a close second to George D. Widener's Top Ballant in his only race as a three-year-old.

A nominee for the Kentucky Derby, Blaze Starr, won and trained by Lou Rogers, arrived here with a slight fever after a swelling in his neck caused him to miss last Saturday's \$50,000 added Louisiana Derby.

The Arkansas Derby will be April 6.

LSU Signs Up Two Arkansans

Bill Walker, a tailback, and John Beche, a quarterback, were signed by LSU offensive line coach Dixie White, formerly of the University of Arkansas.
